“Center – Peace” Is Special 27th Season Program for Community Christian Adult and Children’s Choir

Our world is torn by war, violence and division. We all are trying to find our balance and a place of calm. The Community Christian Choir has announced their 27th Season’s new program titled “**Center – Peace**”, a musical program proclaiming Christ as the place to find true peace and focus.

With over 130 members in its multi-denominational chorus, the Community Christian Choir and Children’s Choir will present three public concerts throughout the Central Jersey region which will benefit local charities; such as Interfaith Quiet Fund and Project Freedom.

“**Center – Peace**’ will touch your heart and soul like no other program has”, said Pat Wietz, Director of the CCC. “Please come and hear this very special message of hope and Peace.”

A concert will be in your area. Please check the schedule and make your plans to attend. You’ll hear the true message of Peace.
